

Mastering the Art of Instrument Navigation

Believing that safety and proficiency are developed through education and experience. Monthly meetings use real world scenarios to engage our members and allow them to share and build their experience. At the meeting, prospective members will be given the opportunity to see the presentation by the IMC Club founder and President Radek Wyrzykowski. You do not have to be instrument rated to attend. Click on the link below and register TODAY.

Directions: Nashville Flight Training conference room

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
