

CFI Forum: Managing Student Success

This CFI Forum offers a fun, interactive, serious and honest look at facts and fictions of ground and flight instruction, and provides instructors and their students with suggestions they can apply to effectively manage their efforts to a successful and rewarding outcome. This event will build upon a previous seminar for all pilots that reviewed Stall/Spins and how you as an instructor can aid in helping your students be successful and the best possible aviator(s). Click the link below and register TODAY.

Directions: See Additional Information section below for driving directions.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
