

2015 Northeast Experimental Fly-In

Attend informative briefings and hands-on workshops covering: Pilot/Controller Communications, Weight & Balance, Composite Construction & Repair, ADS-B, the 2020 Mandate, Hands-on Metal Working Workshop, Homebuilt Inspection & Maintenance. Food will be available for purchase. Click the link below to register TODAY. See the Additional Information section for links to each meeting to register for WINGS and AMT Awards credit.

Directions: No GPS address for airport GATE 4, so when near 400 Holt Rd., follow the EAA signs. Ideally, please arrive between 9:00-10:30 when we will have someone manning the gate for entry. Outside those times, please call the number on the paper taped to the yellow post for someone to come let you in.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
