

The ACS is coming! - Boston FSDO Flight Instructor Forum & Meeting

The Boston FSDO has quarterly meetings & discussions on issues facing pilots and instructors, not only nationally, but also in the local area. We are looking to have active instructors, of all experience levels, join us in the discussion and learn some best practices. This is also a great opportunity to meet today's & tomorrow's aviation professionals. Flight training standards are changing. Are you up to date on the new ACS? At this open forum we will discuss teaching the Airman Certification Standards (ACS).

Directions: Directions from Providence & Points North:
