

## IMC Club - Mastering the Art of Instrument Navigation

Believing that safety and proficiency are developed through education and experience. Monthly meetings use real world scenarios to engage our members and allow them to share and build their experience. At the meetings, prospective members have the opportunity to see and discuss presentations by IMC Club founder and EAA Flight Proficiency Manager Radek Wyrzykowski. You do not have to be instrument rated to attend.

As of Nov 2015, the IMC organization became a subsidiary of the EAA. Details can be received at the meeting.
