

Mind over Matter / Strengthening the Weakest Link

How we approach decision making has an impact on our flying safety. Enjoying the freedom of flight is just as much about learning how to think as it is learning how to fly. This discussion looks at some of the time tested ways pilots in the safest sectors of aviation are "trained to think" about safety.

Directions: EAA Pilot Proficiency Center

AirVenture 2016

Venue location: Four Corners (Knapp Street & Celebration Way)

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
