

## Airspace for Dummies

“Shaded blue or magenta line on the sectional” – what does it all mean? Could not knowing cost us our pilot certificate? Do I need to wait for controller’s permission to change my frequency after departing from a towered airport? Airspace does not have to be complicated. To that end, Radek is presenting "Airspace for Dummies." He breaks down complex aviation airspace designs in simple terms you can understand without being an expert in FAA regulations. What you will learn you will be able to apply for practical purposes in your aviation activities.

**Directions:** EAA Pilot Proficiency Center

AirVenture 2017

Venue Location: Four Corners (Knapp Street & Celebration Way). Across from the EAA Membership Pavilion

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

### Event Details

**Fri, Jul 28, 2017 - 10:15 CDT**

**Pilot Proficiency Center**

Knapp Street & Celebration Way  
Oshkosh, WI 54902
