

## Aviation Medical Safety Issues

Current Aero Medical Safety Issues: Impairing medications, Unfortunate accidents, FAA 3rd Class/Basic Med. Bring your questions. Click the link below and register TODAY!

**Directions:** There is no GPS address for airport GATE 4, but 400 Holt Rd gets you close, then follow the EAA106 signs. At the stop sign (says Clark St), turn RIGHT. About 150 yards on the left is GATE 4. Call the cell number on the paper taped to the yellow post for someone to come let you in. Due to the locked airport gate, please try to arrive a bit before the 7 PM program start.

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
