

What is in that Policy?

This seminar will cover the basics of a standard aircraft hull and liability policy, including explaining common ancillary coverages and the importance of understanding your pilot warranty. Underwriting factors that go into determining premium will also be discussed including several ways to save money while enhancing safety, such as participating in the FAA Wings Program and completing formal training programs.

Directions: American Aero Services.

From RT-24, south of I-495, take exit 13A on to RT-44 East. After 0.2 miles take a right on to Orchard St. that continues on to S St E. After about 1.5 miles, turn left on to Middleboro Ave. After 0.7 miles turn right on to Westcoat Dr.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
