

Communication - Say what you mean

Don't miss this exclusive safety briefing. Frank Sherman, CFII, a FAASafety Team Representative, will share many of the various aspects of communication in aviation. Why are they so important in keeping you safe. Obtaining weather, communication with other pilots as well as approach control and towered airports. Attend this informative briefing and learn how to better communicate. Click on the link below and register TODAY!

Directions: From the North: Take Rt. 295 South to Exit 9A to Rt 146 South. Turn on Rt 116 South. Merge to W. Greenville Rd. Left on Albion Rd. From the South: Take Rt 295 North and follow directions from above. For easy free parking please use the old main terminal building lot.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice.
