

New England FAASTeam presents:

Franconia Soaring Association Glider Safety Day

This event, focused towards the Franconia Soaring Association operations, is open to glider pilots or those interested in soaring as a means to Promote, Educate and Improve. The morning will begin with presentations and discussions that continue into the early afternoon with a entertaining presentation to follow. Don't miss this exclusive event. Click on the link below and register TODAY!

Topics Planned: First Wave Flight Weather in the White Mountains
Tow Rope Assembly
Traps for Glider Pilots
The Aftermath of an Accident
Accident Scenarios
Forecasting Weather for Glider Pilots

Directions: Take exit #25 on I-93 and proceed west on Route NH-175 for approximately 0.4 miles.

At the round-about/traffic circle take the 3rd exit on to Main Street (RT-3 South) for approximately 0.2 miles.

Bear Right as the road splits into one-way traffics directions at the Plymouth Town Commons and then turn right on to Highland Street (400 Feet)

The immediately turn left on to Russell Street, the parking lot is about 200 feet down on your left.

Additional parking is located nearby, but may require payment in parking meters.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
