

FAASTeam presents:

Gliding - For the Airplane Pilot

Become a better airplane pilot by learning some of the “secrets” of sailplane/glider pilots. An expanded version of the GAJSC Topic of the Month on “Best Glide”. Learn about not only Best Glide and Minimum Sink, but learn about Speed-To-Fly. Learn how to adjust your flying speed for a given condition. Do you know what your real glide ratio is? Do you really think you can make it to that field? Join us to learn more and how to soar on your gliding knowledge.

Directions: Please register for Gliding - For the Airplane Pilot on May 8, 2018 6:30 PM EDT
at: <https://attendee.gotowebinar.com/register/1002117278401149698>

After registering, you will receive a confirmation email from CITRIX/Go-To-Webinar containing information about joining the webinar.

Upon registration, you will receive an email with the link to be used on the day of the event. WINGS credit will be awarded based upon the email used in the registration, so please use the same email address to register that you also use for WINGS.

We look forward to seeing you.

Registration on FAASAFETY.GOV is not required.

There are 2000 virtual seats. You need a computer or telephone to attend.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
