

Where in the Atmosphere Clouds are?

You can find some valuable preflight information about the state of the atmosphere on Skew-T & Log-P charts. Although these charts have been known to cause fear and confusion, it's not that difficult to understand their many messages. Learn how to use them and apply discovered knowledge to your aviation decision-making process.

Directions: EAA Pilot Proficiency Center
AirVenture 2018

Venue Location: Four Corners (Knapp Street & Celebration Way), across from the EAA Membership Pavilion. [Click here for a map.](#)

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
