

The Art of Instrument Flying - Communicating Command

Many instrument pilots relinquish their pilot-in-command authority through the use of improper phraseology. MCFI Doug Stewart will discuss not only the "how" of maintaining command through standard phraseology but more importantly the reasons "why" communicating properly will reinforce a positive interaction between the pilot and Air Traffic Control.

Directions: EAA Pilot Proficiency Center
AirVenture 2018

Venue Location: Four Corners (Knapp Street & Celebration Way), across from the EAA Membership Pavilion. Click here for a map.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
