

## The Art of Instrument Flying - Situational Awareness

It is essential for an instrument pilot to stay ahead of the airplane at all times. It requires awareness of a large variety of elements that go beyond just knowing where one is and what is next. In this seminar, MCFI Doug Stewart will discuss how he employs the many different elements of situational awareness to drive his IFR best practices.

**Directions:** EAA Pilot Proficiency Center  
AirVenture 2018

Venue Location: Four Corners (Knapp Street & Celebration Way), across from the EAA Membership Pavilion. Click here for a map.

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
