

FAA Safety Team presents:

## **Discover EAA IMC and VMC Clubs**

EAA/IMC and VMC Club offer meetings in which pilots share practical knowledge. Discover yourself what EAA/IMC and VMC Club is all about. We create a community of pilots to share information, provide recognition, foster communications, promote safety and build proficiency. EAA/IMC and VMC Club provide organized "hangar flying" focused on building flying knowledge and skills. The program's network promotes a safety culture through continued education and believes that we develop safety and proficiency through education and real-life experience. Membership in the EAA/IMC or VMC Club is not required to participate.
