

FAA Safety Team presents:

# **Introduction to the EAA/IMC Club - Mastering the Art of Instrument Navigation**

EAA/IMC Club, through the EAA's global Chapter structure, provides organized "hangar flying" focused on building instrument flying knowledge and skills. The program's network promotes a safety culture through continued education and believes that we develop safety and proficiency through education and real-life experience. Monthly meetings offer an opportunity to share in-flight experiences and valuable safety tips. Through the FAA Safety Program, aviation professionals provide informative WINGS presentations. You do not have to be an instrument-rated pilot to attend. Membership in the EAA/IMC Club is FREE to EAA members and it is encouraged but not required to participate in this meeting. For more information and to take part in this event, click the link below and register TODAY!

**Directions:** Columbia Airport 4G8 is 1.6 miles west. If you drive, plenty of parking spaces are available behind the building. Social hour and refreshments are from 6 to 7 PM local time.

#### **A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
