

FAA Safety Team presents:

VMC Club Meeting Introduction - Mastering the Art of Aviation

EAA/VMC Club, through the EAA's global Chapter structure, provides organized "hangar flying" focused on building flying knowledge and skills. The program's network promotes a safety culture through continued education and believes that we develop safety and proficiency through education and real life experience. Monthly meetings offer an opportunity to share in-flight experiences and valuable safety tips. Through the FAA Safety Program, aviation professionals provide informative WINGS presentations. Membership in the EAA/VMC Club is encouraged but not required to participate in this meeting. For more information and to take part in this event, click the link below and register TODAY!

Directions: The first building on the right from the main parking lot entrance. From the flight ramp, walk through personnel gate between the terminal building and Cola Aviation hangar. Turn left along the sidewalk and follow entrance road around to the right. it is a single-story light-color clapboard-sided structure.
