

North Dakota FAAS Team presents:

Introduction to VMC Club Meeting - Mastering the Art of Aviation

EAA/VMC Club, through the EAA's global Chapter structure, provides organized "hangar flying" focused on building flying knowledge and skills. The program's network promotes a safety culture through continued education and believes that we develop safety and proficiency through training and real-life experience. Monthly meetings offer an opportunity to share in-flight experiences and valuable safety tips. Through the FAA Safety Program, aviation professionals provide informative WINGS presentations. EAA membership is encouraged but not required to participate in this meeting. For more information and to take part in this event, click the link below and register TODAY!

Directions: Exit 69 off I-29 East on County Rd 20. Continue East for 2 miles. Take a right on 20th St. N. Blue hanger is located to the West, (right) as you enter the airport. Enter door 1 on the west end of the building. After entering the building go up the stairs to your left to the meeting room. Signs will be posted.

If you are flying in, enter through the Jet Center passenger terminal. The Jet Center terminal personnel can direct you to the blue hangar from there.
