

Aeronautical Decision Making - Stand Up for Safety - A Celebration of General Aviation

The third event of the day immediately following "Real World Piston Engine Aircraft Operations". Learn from a retired FAA Inspector and current Designated Pilot Examiner (DPE) about the impact of your decisions on your safety and that of your family and passengers. A look at some real world events.

Directions: North or South

Take 95 to Post Road, turn onto Airport Road. At light, turn into parking lot at 566 Airport Road, Warwick, RI Textron hangar. Additional parking is located across the street.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
