

FAA Safety Team presents:

# **IMC Club Meeting - Mastering the Art of Instrument Navigation**

EAA/IMC Club, through the EAA's global Chapter structure, provides organized "hangar flying" focused on building instrument flying knowledge and skills. The program's network promotes a safety culture through continued education and believes that we develop safety and proficiency through education and real life experience. Monthly meetings offer an opportunity to share in-flight experiences and valuable safety tips. Through the FAA Safety Program, aviation professionals provide informative WINGS presentations. You do not have to be an instrument rated pilot to attend. Membership in the EAA/IMC Club is encouraged but not required to participate in this meeting. For more information and to take part in this event, click the link below and register TODAY!

**Directions:** Driving: Turn onto Airport Road and follow the road to the airport parking lot. The FBO, Windham Air Services, is located inside the building.

Flying in: Park your aircraft along the fence line near the fuel tanks and walk into the FBO.

#### **A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Join us on Facebook: <https://www.facebook.com/groups/GASafety/>

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
