

FAA Safety Team presents:

Skylark EAA-1310 VMC and IMC Club!

This is our very first EAA VMC and IMC Club Meeting. We are happy to announce that the founder and brainchild of the VMC and IMC Club, Mr. Radek Wyrzykowski has agreed to help standup our club and is going to be here in person for our first meeting!

EAA/IMC Club, through the EAA's global Chapter structure, provides organized "hangar flying" focused on building instrument flying knowledge and skills. The program's network promotes a safety culture through continued education and believes that we develop safety and proficiency through education and real-life experience. Monthly meetings offer an opportunity to share in-flight experiences and valuable safety tips. Through the FAA Safety Program, aviation professionals provide informative WINGS presentations. You do not have to be an instrument-rated pilot to attend. Membership in the EAA is encouraged but not required to participate in this meeting. For more information and to take part in this event, click the link below and register TODAY!

Directions: If driving: Interstate 91 to Exit 45 > CT-140 East for 1.9 miles > Turn right onto Wells Road for <1 mile look for EAA 1310 meeting hangar
