

New England FAAS Team presents:

Back to Basics - Airspace

We all think we know the basics well, but can you face the challenge of airspace in various scenarios? A review of airspace in a scenario based format. See various types of airspace and even how different operations or aircraft may change the "rules" slightly. Come and participate in the poll questions and see how you compare to your fellow pilots. You just might learn something.

Directions: Please register for "Back to Basics - Airspace" on Jun 27, 2019 7:00 PM EDT at:

<https://attendee.gotowebinar.com/register/3211734337193307661>

After registering, you will receive a confirmation email from CITRIX/Go-To-Webinar containing information about joining the webinar.

Upon registration, you will receive an email with the link to be used on the day of the event. WINGS credit will be awarded based upon the email used in the registration, so please use the same email address to register that you also use for WINGS.

We look forward to seeing you.

Registration on FAASAFETY.GOV is not required.

There are 2000 virtual seats. You need a computer or telephone to attend.
