

ATC and You - Communicating with Confidence and Clarity

Communicating with controllers can be intimidating if you don't know the language. Instead of avoiding it, pilots can learn what they need to know to fly safely and efficiently in controlled airspace. This class will give participants the knowledge and insight they need to do just that.

Directions: EAA Pilot Proficiency Center
AirVenture 2019

Venue Location: Four Corners (Knapp Street & Celebration Way), across from the EAA Membership Pavilion. [Click here](#) for more information.
