

Skydiving and Parachuting

Most pilots and non-skydivers have a fairly antiquated notion of what skydiving, or parachuting is all about. This presentation will describe modern skydiving, training, equipment, competition, regulations and safety.

Directions: After you register on FAASAFETY.GOV, an e-mail will be sent to you from EAA Chapter 106's info mail. The e-mail will include the zoom link and alternative methods to access this live event. Please allow two days for the e-mail with zoom information to arrive, except for starting July 8 when the registrations will be checked a few times a day.

A message from the National FAASTeam Manager
