

New England FAASTeam presents:

After Market Safety Equipment - Making You and Your Airplane Better!

Many of us like to have the newest and neatest "Stuff", especially when it comes to our aircraft and piloting. However, have you really thought about what things could pay big dividends in relation to safety, for your aircraft, for you and your passengers? We will look at some of the "Stuff" available on the market and some we would like to see that could have an impact, partly depending on your type of flying. A thought provoking webinar that may make you think more about where you spend your Aviation Monetary Units (AMUs).

Directions: Please register for After Market Safety Equipment - Making You and Your Airplane Better! on Jun 30, 2020 7:00 PM EDT at the following link:

WEBINAR REGISTRATION LINK

or Copy & Paste the following into your web browser.

<https://attendee.gotowebinar.com/register/6473633501442481419>

After registering, you will receive a confirmation email from CITRIX/Go-To-Webinar containing information about joining the webinar.

Upon registration, you will receive an email with the link to be used on the day of the event. WINGS credit will be awarded based upon the email used in the registration, so please use the same email address to register that you also use for WINGS.

We look forward to seeing you.

Registration on FAASAFETY.GOV is not required.

There are 1000 virtual seats. You need a computer or tablet to view the presentation.
