

New England FAASTeam presents:

## **Runway Precision - (2 Available Sessions)**

Being a precise pilot means minimizing your risk and increasing your safety, many times through added knowledge. Joins us to take a look at some "not so well known" knowledge tidbits associated with takeoff, landings and the traffic pattern that will help you be a better pilot and increase your precision. We will look at tools available to you and some modern technology.

**Directions:** Please register for Runway Precision on Jul 28, 2020 7:00 PM EDT or on July 29, 2020 12:00 PM EDT (noon) at the following link:

Click Here to Register!

or copy paste the following link into your web browser:

During the registration - you can select either session!

After registering, you will receive a confirmation email containing information about joining the webinar.

Upon registration, you will receive an email with the link to be used on the day of the event. WINGS credit will be awarded based upon the email used in the registration, so please use the same email address to register that you also use for WINGS.

We look forward to seeing you.

Registration on FAASAFETY.GOV is not required.

There are 2000 virtual seats. You need a computer or tablet to view the presentation.
