

FAASTeam presents:

Thermal Maximization For The Advancing Pilot

This is the first of a four part series of discussions about intermediate to advanced thermalling - things that can help you improve your skills after simply staying in thermals has become pretty easy.

Directions: Register for the Soaring Society of America (SSA) webinar at the following link:
SSA Webinar - Intermediate / Advanced Thermalling Techniques 4-17-20 Registration
or copy paste the following into your web browser:
<https://register.gotowebinar.com/register/5040204588483619595?source=FAA+Wings+Program>
After registering, you will receive a confirmation email from CITRIX/Go-To-Webinar containing information about joining the webinar.
Upon registration, you will receive an email with the link to be used on the day of the event. WINGS credit will be awarded based upon the email used in the registration, so please use the same email address to register that you also use for WINGS.
We look forward to seeing you.
Registration on FAASAFETY.GOV is not required.
There are 500+ virtual seats. You need a computer, tablet or telephone to attend.

A message from the National FAASafety Manager

Earn your WINGS to get a chance to win a cash prize. Go to
