

# Aero Club of New England

## Fall 2021 Piloting Seminars

### "Passing Your Checkride

*(from The Examiner's Point of View)"*

### & "Proficiency & Potato Salad"

#### Saturday, September 25 - 9AM - 12:00PM

Join us for 2 presentations: ACONe member, Master CFI and Jet Mentor **Neil Singer** will speak about how to pass your next check ride by thinking like an examiner. Neil has over 9000 hours of flight experience in over 50 aircraft types.

Plus, **Dave Strassburg**, FAA WINGSPRO Instructor (known as "The WINGS Guy"), will lead a talk on personal proficiency techniques that some general aviation pilots now incorporate (just like many professional pilots do!)

Join us for the morning seminars,  
**DOOR PRIZES** and a **BBQ** from  
**12noon - 1:00pm. All FREE!**
