

FAA Safety Team presents:

EAA IMC Club Meeting - Mastering the Art of Instrument Navigation

The EAA IMC Club provides a "hangar flying" experience organized around instrument flight, in order to promote safety, education, and proficiency.

Every meeting consists of a scenario presentation and group discussion, and discussions of unusual or interesting charts, changed rules and procedures, and member experiences. We also have occasional guest speakers.

Keep your EFB, experience, and questions handy, and be ready to participate.

All are welcome. You do not need to be an EAA member or rated instrument pilot to attend.
