

Flying in and out of a Non Towered Airport

Rob Poulton was share his vast experience of flying into and out of various non towered airports. His unique sense of entertainment as a speaker will be enjoyed by all who attend. While this is a very serious safety issue, Rob bring his unique humor to play and will involve the audience in an opportunity to learn safety and be fun in doing so.

Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines.

Directions: Use of GPS is strongly encouraged.
