

## EAA IMC Club Meeting - Thunderstorms

The EAA IMC Club provides a "hangar flying" experience organized around instrument flight, in order to promote safety, education, and proficiency.

In this meeting, we will discuss two scenarios involving instrument flight in an area with thunderstorms present. How would you decide what to do if you were there? What resources do you have available? What risks do you see in these flights?

By plane: park at the main ramp. Walk on the taxiway to the right of Midfield Cafe, between the buildings. The Airport Authority building is the third on the right, just before the Nashua Jet Aviation building.

By car: parking lot is on the right side of Perimeter Road, across the street from CrossFit Nashua, near the gate. The Airport Authority building is on the right, inside the fence.

Go in the door on the south side of the building. Take the first left in the hallway, and then an immediate left into the stairwell. The meeting is in the room at the top of the stairs.

Meeting space is provided by Nashua Airport Authority.

### Event Details

**Wed, Sep 11, 2024 at 18:30 EDT**  
**Airport Administration Building**  
93 Perimeter Road  
Nashua, NH
