

EAA IMC Club Meeting - Icing Recovery

The EAA IMC Club provides a "hangar flying" experience organized around instrument flight, in order to promote safety, education, and proficiency.

For this month's meeting, we will discuss a scenario involving an icing encounter near the destination and a detailed FAA/NASA video on tailplane stalls and recovery.

Bring your EFB, your experience, and your questions, and be ready to participate.

All are welcome. You do not need to be an EAA member or rated instrument pilot to attend.

If arriving by plane: Park at the main ramp. Walk on the taxiway to the right of Midfield Cafe, between the buildings. The Airport Authority building is the third on the right, just before the Nashua Jet Aviation building.

If arriving by car: The parking lot is on the right side of Perimeter Road, across the street from CrossFit Nashua, near the gate. The Airport Authority building is on the right, inside the fence.

Event Details

Wed, Feb 11, 2026 at 18:30 EST
Airport Administration Building
93 Perimeter Road
Nashua, NH

Contact: JAMES DAVID CARLSON
