

FAASTeam Discord Live Webinar - Breaking Down the Three Phases of an Accident

Event Details

We will discuss operational and personal safety cultures and how it associates with flight risks and accident outcomes. Join the Boston FPM who is also a Senior Aviation Accident Investigator and Flight Instructor, who will discuss what to do when you find yourself in an accident and answer pressing questions like:

- Who do you call?
- What does the emergency response look like
- What actually happens in an accident investigation?
- What does the aftermath for the pilot look like?

At the end of the webinar, the floor will be opened for audience questions.
