

USHST SAFETY SEMINAR

Operational Excellence • Risk Awareness • Safer Flights

Wednesday, May 20, 2026 | 11:00 AM – 2:00 PM (MST)

Location

4636 E McKellips Rd, Mesa, AZ 85215

Time

1100-1400 - Includes lunch

About the Seminar

Join fellow helicopter professionals for an interactive **United States Helicopter Safety Team (USHST)** Safety Seminar. Learn about the USHST, its charter, programs, tools and goals - focused on real world operational risk, decision making, and lessons learned. If not already, become a member of the USHST.

Who Should Attend

Helicopter pilots (Tour, Utility, EMS, Law Enforcement, Corporate, Military)
Aviation managers and Safety officers
Instructors, check airmen, and operational leadership
