

EAA IMC Club Meeting - Debriefing A Trip

The EAA IMC Club provides a "hangar flying" experience organized around instrument flight, in order to promote safety, education, and proficiency.

This month, we'll discuss how to debrief a trip, what we can learn from the events, what tools are available, and, of course, we'll discuss Oshkosh!

Bring your EFB, your experience, and your questions, and be ready to participate.

All are welcome. You do not need to be an EAA member or rated instrument pilot to attend.

If arriving by aircraft: Park at the main ramp near the southeast end of the field. The meeting is in the tower building, second to left of the Midfield Cafe.

If arriving by vehicle: Plenty of free parking lot near the tower building.

Go in the door on the southeast side of the building, outside of the fence. Go to the left on entering the building. The meeting room is down the hallway on the left.

Event Details

Wed, Aug 12, 2026 at 18:30 EDT

Airport Tower Building

79 Perimeter Road

Nashua, NH

Contact: JAMES DAVID CARLSON
