

Metal and Composites Workshops at the 2026 NorthEast Experimental Fly-In

Basic Metal Aircraft Construction workshop

This workshop is designed to familiarize the attendee with basic metal aircraft construction and the tools used. See complete description in additional info.

Composite Aircraft Construction and Repair workshop

The Composite Aircraft Construction and Repair workshop will introduce the attendee to basic composite building techniques. See complete description in additional info.

No GPS address for airport **GATE 4**, so when near 19 Holt Rd, North Andover, MA, follow the EAA signs. Ideally, please arrive between 8:30-10:30 when we will have someone manning the gate for entry. Outside those times, please call the number on the paper taped to the yellow post for someone to escort you in.
