

Aviation Emergency First Responder Training Phase 2 - Hawthorne CA

This highly requested event: Phase 2 of the Emergency Responder Training will be a hands-on, live portion held at Hawthorne Airport (HHR) in Hawthorne, CA. We will collaborate with local pilots, aircraft operators, state police, HEMS crews and training facilities as well as airport managers to make these sessions happen alongside an in-person training to touch, feel and experience egress and shut down procedures in a variety of aircraft. There will be skill stations for qualified responders to cut into fuselages and wreckage.

This training will be held at the Jet Center Los Angeles FBO ramp. Food will be available or you can bring your own coolers. See details below.

Arrival and check-in starts at 0800 and we will be placing participants into groups with a start time before 0900 and an end time at 1600. This training also counts as 4 hours of CEU accreditation.
