Staff members from the New England Office of Runway Safety will review Runway Safety Action Team (RSAT) findings and recommendations for HVN. Additionally, review runway incursions and view recent animations of incidents. **Your participation in analyzing these incidents will provide helpful feedback for the airport's action plan and earn the rare KCB2 WINGS Credit!**

Directions: Robinson Aviation is located on Thompson Ave. off exit # 52 of I-95, it also intersects CT-Rt 100.
