

How to intergrate the use of GPS in the hot air balloon

GPS Demystified: Practical uses of GPS in a hot air balloon. Actual hands-on on how to use the GPS. What the GPS can and can't do. How to use your existing GPS. How to use software on your PC to talk to your GPS. What type of GPS to buy if you are going to buy a new one? If you have a GPS, bring it with you!

Directions: The meeting will be held in the meeting room located in the main lobby of the Plainville Police Department.

Plainville Police Department
19 Neal Court,
Plainville, Connecticut 06062

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
