

Runway Safety; Let's Not Meet By Accident!

Why do runway incursions occur? Why do runway excursions occur? These two completely separate reasons will be discussed and real events depicted and displayed in a dynamic video presentation by Ken MacDonald! The first part of this presentation is designed to bring about an awareness of the hazards we all accept. Then, Ken will discuss the ways to mitigate the risk to an acceptable level. Attend this informative briefing and participate in a discussion of what's happening at Sikorsky Memorial Airport!

Directions: I 95 Exit 30 to Lordship Blvd.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
