

Stick & Rudder Skills in a Glass Cockpit World

This forum is an interactive discussion of basic flying skills that may have decayed in an automated cockpit. Emphasis is placed on piloting skills, with tips observed from flying with a wide variety of pilots of varying skill and experience levels. Some practical points that may keep you from becoming a statistic!!

Directions: The Learn To Fly Discovery Center is located on Celebration Way, just south of EAA's Welcome Center on the AirVenture grounds

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
