

Take A Look Under The Hood!

How can you be certain that the aircraft you are about to fly meets all of the applicable airworthiness requirements? Simply completing a normal preflight inspection is likely not good enough! You don't know what you don't know, so don't miss this exclusive briefing on Advanced Preflight! A more thorough method of ensuring aircraft airworthiness and critical to flight safety. Learn from the experts at this new and informative safety briefing. Refreshments generously provided by Three Wing Flying Service.

Directions: I 95 Exit 30 to Lordship Boulevard. Airport entrance is Great Meadow Road. Park in the parking lot across from the Three Wing hangar.

A message from the National FAASafety Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
Sign up for the FAA's safety services at www.FAASafety.gov!
