

The FAA Safety Team presents:

Here I Come, Ready or Not!

Don't let your next approach and landing become a statistic on someone's chart. Participate in this WINGS Safety event where proper techniques concerning aircraft control during the most critical phases of flight will be discussed. Presented by Ken MacDonald and Jim Adams. We can all become safer pilots through continued education; Don't Miss It! In the event of inclement weather, please call 860-654-1039 for seminar status information.

Directions: I-84 to Exit 33, then CT-72 West, exit at North Washington Street /CT-177, turn Right on to North Washington St., proceed 1/2 mile turn Right on to Johnson Ave.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
