

Don't Deviate! This Seminar is on for this evening, seats added!

Join retired Boston TRACON Controller and FAASafety Team Representative Bob Adelizzi and FAASafety Team Program Manager Jim Adams as they address pilot /controller communication responsibilities and Temporary Flight Restriction (TFR) avoidance. They will provide an in-depth look into proper communications and error prevention. Learn how to improve your communication techniques and get a better understanding of TFR's, and the consequences of poor preflight planning. An excellent opportunity to learn how to work better with ATC Tower and Radar Controllers. Bring your questions and friends!

Directions: I-84 to Exit 33, to CT-72 West, take the N. Washington Street / CT-177 Exit, turn Right on N. Washington ST., proceed .5 mile turn Right on to Johnson Ave.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
