

## Unwanted Encounters! & AOPA now at 5:00 for cookout and two seminars, see notice for details.

This evenings meeting will start with a cookout at 5:00 PM by WAPA, FPA, thanks to both organizations. At 6:00 PM, FAASafetyTeam and USAFR 439th Air Lift Wing will present a safety program. In the CT River Valley C-5A Galaxy aircraft based at Westover ARB fly missions daily. Collision avoidance in the air is one of the most basic responsibilities of a pilot flying in visual conditions. Just how do the flight crews of these military aircraft accomplish this? When do they fly? At 7:30 the AOPA, ASI will present a program titled, "Weather Challenge at the same location. This is a modification of the start times for the cookout and both seminars. See additional info on the link for this program.

**Directions:** Seminars held upstairs in the airport terminal building . Free auto and aircraft parking.

### A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
