

The FAA Safety Team presents:

Wide World of SPORT!

Whether you're completely new to aviation or have flown legacy General Aviation (GA) aircraft before, Sport Pilot is an exciting alternative that can be easier, more affordable, safe, and loads of FUN! Sport Pilot enables enthusiasts to learn to fly and gain access to aircraft in less time and for less cost than previous alternatives. Are you considering a transition to Light Sport? Or perhaps you would like to learn more about this emerging industry. Do you have questions about the medical requirements? What about flying on IFR flight plans or in Instrument Meteorological Conditions (IMC)? These are just a few of the topics that will be covered at this exciting event. Light refreshments provided by Interstate Aviation. Click on the link below for all of the details and to register TODAY!

Directions: I-84 to CT-72 West, exit at CT-177 turn Rt. on to N. Washington St. go 1/2 mile turn Right on to Johnson Ave.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
