

FAA Safety Team, EA-63 FSDO presents:

Proficiency Matters - Are You Ready For In Flight Emergencies

?

Preparation is the key to success ! It's no different in aviation. History has taught us that inadequate pre-flight planning can often lead to undesirable outcomes... including accidents! At this exclusive briefing we'll discuss how thorough preparation for a long cross country trip, along with recurrent training and proficiency made the difference in the life of one pilot who made it to the ground safely after the engine quit! Attend this meeting and hear this exciting story! Pre-Registration is encouraged at FAASafety.gov. Refreshments provided by Interstate Aviation. If Inclement weather is forecast for the seminar time, call: 860-654-1039 for a status message. Click the link below to register TODAY!

Directions: I-84 exit 33, CT-72 W. to Plainville/Bristol, exit at N. Washington St. /CT-177, turn Rt. go 1/2 mile, Rt. to Johnson Ave. The program is in the Interstate Aviation hangar.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
