

The FAA Safety Team presents:

# **FAASTeam Flight Instructor Open Forum**

Aeronautical Decision Making is a systematic approach to the mental process used by pilots to consistently determine the best course of action in response to a given set of circumstances. In other words, it is a systematic approach to risk assessment and stress management. Sounds easy, right? At this FAASTeam Flight Instructor Open Forum we will explore ADM and how you can teach it to your students to assess risk and manage stress. Flight and Ground Instructors, Instructors in training and Designated Pilot Examiners, and are welcome and encouraged to attend. Join your flight instructor colleagues and take an active role in improving safety in flight training! Click on the link below and register TODAY! Refreshments provided by Premiere Flight Center.

**Directions:** The hangar is located at the Northeast corner of the airport property. The FAASTeam Forum will be held in the upstairs classroom.
