

Hartford IMC Club Monthly Meeting

IMC Club, through its nationwide chapters, provides organized “hangar flying” focused on building proficiency in instrument flying. Believing that safety and proficiency are developed through education and experience. Monthly meetings use real world scenarios at each monthly meeting to engage our members and allow them to share and build their experience. You do not have to be instrument rated to attend. Click the link below and register TODAY! Due to Popular Demand by past attendees we will be presenting another real life scenario.
